## Heartfelt Harvest

On Thanksgiving Day, together we meet,
With laughter and stories, the gathering sweet.
A table adorned with warmth and cheer,
Each hand held close, each heart near.
The scents of love and joy fill the air,
We share in moments simple and rare.
Through every smile and every embrace,
Memories form in this treasured space.
Together in gratitude, side by side,
Thankful for family, our love and pride.
For in these moments, we find our way,
Gathered as one, on Thanksgiving Day.
